Further instructions:

1. Save this PDF with your name as file name (i.e. *Max Mustermann.pdf*). If you are not able to save the filled out form, you are probably using an older version of Adobe Reader. In this case, you can print out the form and send it to us as a scan via e-mail or postal service.
2. Save your object images consecutively numbered from 1 to 6 (according to your image captions in this form) and your name (i.e. *1_Max Mustermann.jpg*, *2_Max Mustermann.jpg*, etc.).
3. Put all your files in one folder (application form PDF and images), naming the folder with your name and the addition "MKG Messe" (i.e. *Mustermann Max MKG Messe*). If possible, please put your last name first!
4. Compress this folder into a ZIP-file. On a Mac, click right on the folder and choose "Compress" from the pop-up menu. On a PC, click right on the folder and choose "Send to..." and then "Compressed folder".
5. Send this ZIP-file to us via www.wetransfer.com using our address office@justusbrinckmann.org. WeTransfer is a free service which allows sending bigger files than most mail accounts (such as ours) can handle. Please refrain from sending your files by mail and use WeTransfer instead.
6. After completing these steps we will send you a confirmation of receipt and completeness of your documents.

By submitting your application you agree with our terms of service. These can be read on our website www.mkgmesse.de/bewerbung.

We are looking forward to your application until May 31, 2019!
